Are any documents missing? [Search for missing documents in Scopus](#)

Крок 7. Прогорнути список публікацій до кінця та обрати функцію **Are any documents missing? Search for missing documents in Scopus**

The screenshot shows a search interface with a dropdown menu for search fields. The dropdown is open, showing options: All Fields, Article title, Abstract, Keywords, Authors, Source title, Article title, Keywords, Affiliation, PMID, EID, ISSN, DOI, References, and ORCID. Below the dropdown is a search box labeled 'Search documents *'. A large purple arrow points from this search box to a second, more detailed search box below it. This second search box has a title 'Search for a missing document' and a subtitle 'Please be aware that some documents might not be in Scopus at the moment and therefore will not be shown.' It contains a 'Search within' dropdown set to 'DOI' and a search box with the text '10.15407/jnpae2025.02.105'. At the bottom right of this second search box are 'Cancel' and 'Search' buttons.

Крок 8. За допомогою пошукових агентів (полів пошуку) знайти загублену публікацію. Радимо використовувати DOI або назву публікації.

Search for a missing document

×

Results for '10.15407/jnpae2025.02.105' within 'DOI'. Select the document that belong to 'Plujko, Volodymyr A.'. If you do not see the document you are searching for, please [refine your search terms](#).
